2025 PARENT / GUARDIAN/VOLUNTEER (S)

Code of Ethics

This form must be signed and returned with your application

I'd like to thank you for volunteering your time to involve yourself with a very important role in our PAL program. A parent/guardian/volunteer is very often a major influence in a young person's life. It is often a matter of attitude as well as actions that affect the players. You may choose to take your child's position/game seriously, but I ask you don't lose your sense of humor and sportsmanship. After all, you are setting an example for not only your child, but also your children's teammates.

Our parent/guardian/volunteer's primary purpose will be to promote sportsmanship, friendship and game skills while remembering that the kids are playing to have fun. Parent/guardian/volunteers who are unable to abide by the following Code of Ethics should examine their purpose in involving themselves with youth and, specifically, the Milpitas Police Activities League.

I hope you enjoy your participation and wish you a successful season.

Jared Hernandez
Chief of Police
